RE: Committee for a Democratic Future  
FEC ID No. C00370122

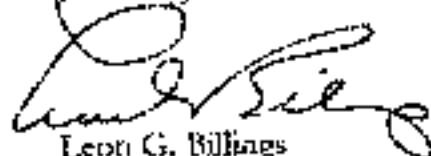

Dear Mr. Krebs:

I am writing in response to your letter dated May 15, 2002 regarding Amended Year End Report (7/1/01 - 12/31/01) of the above referenced Committee.

The Committee for a Democratic Future (the "Committee") is a small committee that has few administrative expenses. Currently, we have two part-time employees who work as required, as well as volunteers, to administer the Committee's activities. We rely on an independent contractor for accounting and administrative services. The Committee does not rent office space. All expenses incurred to operate the Committee, including payments to independent contractors, have been reported as federal operating expenditures on the Committee's FEC reports.

I hope this information adequately addresses your questions. Please let me know if I can provide additional information.

Sincerely,

Leon G. Billings  
Treasurer
